PERTH, WA
Friday 3 April 2020
9am – 5pm

As in a dance, the Tango gives us structure in our work. It helps orientate us. It functions as a tool for getting into the emotional world of our clients. The EFT Tango keeps us more attuned and on target in sessions so that our clients undergo a process of deep emotional experiencing and change. Getting fully grounded in the EFT Tango will bring more depth and momentum to your couples' therapy work.

The key components of this workshop:

- Didactic presentations and videos to explore the 5 EFT Tango moves
- Experiential group role plays to embed the didactic learning
- Live demonstrations showing the EFT Tango
- Fun learning and growing together with the EFT Tango
